

Marangole

CHIANTI CLASSICO
D.O.C.G.
Gran Selezione

In the ancient lands of Castello di Albola, once ruled by the noble Houses of Tuscany, namely the Pazzi, the Acciaiuoli and the Ginori Conti, the vine has flourished for centuries, and in the sublime beauty of these landscapes it yields perfect fruit. The high altitude, the diversity and suitability of the soils for wine growing, and the perfect exposure form a unified whole, a 'radiant jewel' that shines with its own light against the glittering treasure trove that is Chianti Classico, with its sloping hillside vineyards, historic buildings and artistic treasures. This outstanding Estate requires daily dedication and constant care, and rewards those who love it with wines that are truly extraordinary: striving to match the splendour of Castello di Albola, they are authentic and seductive and demand devotion and thoughtful meditation.

MARANGOLE 2015

CHIANTI CLASSICO DOCG GRAN SELEZIONE

Chianti Classico Gran Selezione Marangole takes its name from one of the oldest single vineyards, whose extension is just over five hectares and its altitude is between 400 and 500 meters. Marangole represents a Sangiovese faithful to the Radda in Chianti terroir, endowed with a distinct freshness, elegant tannins and a unique crispness.

APPELLATION
Chianti Classico
Gran Selezione DOCG

AREA OF PRODUCTION
Radda in Chianti, Chianti Classico

GRAPES
100% Sangiovese

HARVEST PERIOD
Early October

HARVEST
2015

HARVEST METHOD
Hand harvest

VINTAGE CONDITIONS

2015 was a cool year until mid-June, with a good percentage of rainfall. Temperatures rose in July and August, and the vineyards suffered from drought somewhat. Despite this, the grapes arrived at the right ripeness for excellent quality.

MARANGOLE 2015

CHIANTI CLASSICO DOCG GRAN SELEZIONE

PLANTING DENSITY
5.000 vines/ha

YIELD PER HECTARE
50 q/ha

18° - 20° C

AVAILABLE SIZES
750 ml - 1500 ml - 3000ml - 5000ml

AGEING POTENTIAL
8 - 10 years

BOTTLED PRODUCED
5.000

SOIL TYPE

The soil is fine with a good percentage of clay, but it is also rich in marl.

TRAINING METHOD

Spurred cordon.

VINIFICATION AND AGEING

The Marangole vineyard is located at some 400 meters above sea level and enjoys south/south-east exposure. Part of the wine ferments in ancient amphorae, where it macerates on the skins for about 4 months and then ages for a further 11 months. The remaining wine is aged in large Slavonian oak barrels for about 15 months, followed by a minimum of 15 months aging in the bottle.

TASTING NOTES

COLOUR: bright ruby red, with garnet highlights

BOUQUET: intense, with notes of ripe red fruit combined with delicate hints of herbs.

FLAVOR: a freshness representative of the terroir and velvety tannin. Excellent persistence.

FOOD PAIRINGS

Excellent with red meats and hard cheeses.
